Examiner

Robert M. Fetsuga

Patent Under Reexamination

WILFERT, RUSSEL

Art Unit

3751

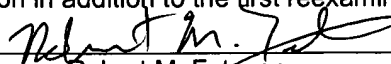

--The MAILING DATE of this communication appears on the cover sheet with the correspondence address--

The Appeal Brief filed on 26 July 2005 is defective for failure to comply with one or more provisions of 37 CFR 41.37(c).

Patent owner is given a TIME PERIOD of ONE MONTH or THIRTY DAYS, whichever is longer, from the mailing date of this Notification for filing a new complete brief. If a new complete brief that fully complies with 37 CFR 41.37(c) is not timely submitted, the appeal will be dismissed as of the expiration of the period for reply to this Notification. Extensions of this time period may be obtained only under 37 CFR 1.550(c).

1. ☐ The brief does not contain the items required under 37 CFR 41.37(c), or the items are not under the proper heading or in the proper order.
2. ☐ The brief does not contain a statement of the status of all claims (e.g., rejected, allowed or confirmed, withdrawn, objected to, canceled), or does not identify the appealed claims (37 CFR 41.37(c)(1)(iii)).
3. ☐ At least one amendment has been filed subsequent to the final rejection, and the brief does not contain a statement of the status of each such amendment (37 CFR 41.37(c)(1)(iv)).
4. ☐ The brief does not comply with 37 CFR 41.37(c)(1)(v) in that it fails to (1) contain a concise explanation of the subject matter defined in each of the independent claims involved in the appeal, referring to the specification by page and line number and to the drawings, if any, by reference characters; (2) identify, for each independent claim involved in the appeal and for each dependent claim argued separately, every means plus function and step plus function under 35 U.S.C. 112, sixth paragraph, and/or (3) set forth the structure, material, or acts described in the specification as corresponding to each claimed function with reference to the specification by page and line number, and to the drawings, if any, by reference characters.
5. ☐ The brief does not contain a concise statement of each ground of rejection presented for review (37 CFR 41.37(c)(1)(vi)).
6. ☐ The brief does not present an argument under a separate heading for each ground of rejection on appeal (37 CFR 41.37(c)(1)(vii)).
7. ☐ The brief does not contain a correct copy of the appealed claims as an appendix thereto (37 CFR 41.37(c)(1)(viii)).
8. ☐ The brief does not contain, as an appendix thereto (37 CFR 41.37(c)(1)(ix)), copies of the evidence submitted under 37 CFR 1.130, 131, or 1.132 or of any other evidence entered by the examiner and relied upon by appellant in the appeal, along with a statement setting forth where in the record that evidence was entered by the examiner.
9. ☐ The brief does not contain, as an appendix thereto (37 CFR 41.37(c)(1)(x)), copies of the decisions rendered by a court or the Board in the proceeding identified in the Related Appeals and Interferences section of the brief.
10. ☒ Other (including any explanation in support of the above items):  
In the "Status of Amendments" section, only amendments filed subsequent to final rejection should be discussed. Further in this regard, "all of the pending claims" were not rejected under 35 USC 112, first paragraph, in the final Office action. In the "Arguments" section, the last paragraph on page 10 discusses prior art references which do not form part of the correctly noted obviousness rejection.

\* If this is a merged proceeding, one copy must be added for each reexamination in addition to the first reexamination.
